parklane SYSTEMS Risk Assessment

Introduction

Welcome to Yukon Government's Risk Assessment software portal. From here you can enter all hazards found during your monthly inspections, recommended controls, and send automated emails to those responsible for remediation. For detailed instructions visit Yukon government corporate Health and Safety website at <http://www.healthandsafety.gov.yk.ca/our-health-safety-system/hazard-identification-including-workplace-inspection-risk-assessment-mitigation>

Login

- 6 Select date of inspection**
- 7 Select Type: Workplace Inspection**
- 8 Select Location(*your department*)**
- 9 Select Sub Location**
- 10 Select (*if applicable, scroll down window 12 will only appear if checked*)**
- 11 Automatically will fill in**
- 12 Select Search and find the name of the committee involved**
- 13 Enter comments**
- 14 Add a location (*all sub locations must be entered see next screen*)**

Hint: use drop down menus to select the appropriate selection

The screenshot shows the 'parklane SYSTEMS Risk Assessment' form. The 'Assessment Summary' section includes: 'Assessment Date' (2017/07/21), 'Assessment Type' (Workplace Inspection selected), 'Location Summary' (Location: Public Service Commission, Sub Location 1: 2000 - Dakwadaka Building - 2nd floor), and a checkbox for 'This assessment involved a JHSC Member'. The 'Inspection Details' section includes: 'Inspectors Involved' (Inspector: PSC JOHSC), 'Additional Inspectors Involved' (text box with instruction 'Enter names of additional workers if applicable'), and 'Inspection Comments' (Inspected all areas. Confirmed Emergency Evacuation Procedures when speaking with workers. No H&S concerns identified. All outstanding hazards confirmed as corrected.). The 'Assessed Locations' section has a message 'Please add a location to this assessment' and an 'Add a Location' button. A 'Submit' button is at the bottom left.

Control Details

“

The next two slides contain a lot of information!

”

Please work through the steps in sequence.

After doing this a couple of times it will become much easier.

Add a Hazard & Control

- 18 Select Hazard Group
- 19 Select Hazard Type
- 20 Risk Level – [view Matrix](#)
- 21 Enter description
- 22 Select who it affects
- 23, 24 & 25 Automatic fill from 20
- 26 Select control – [view Hierarchy](#)
- 27 Automatic fill from 20
- 28 Search & enter person responsible
- 29 Choose a template (your committee)
- 30 Provide recommendations to hazard
- 31 To add another control (see next screen)
- 32 To add another hazard for this sub location, click “Add a Hazard” (repeat steps 18 - 32)
- 33 To add another sub location (until all sub locations entered)

Assessed Locations

Disability Management ✕ Delete Location

Hazard Details ✕ Delete Hazard

18 Hazard Group: Chemical 19 Hazard Type: Chemical storage 20 Risk Level: 3. Medium

Hazard Description: chlorine and ammonia cleaning products stored together in a cupboard 21

Hazard Affects: Anyone present 22 Priority: Third 23 Due Date: 2017/08/04 24 Next Review Date: 2017/08/04 25

Control Details

Control to be Implemented: Elimination 26 Due Date: 2017/08/04 27

Employee Responsible: CLARKE, JOHN 28 Email Address: John.Clarke@gov.yk.ca 29 Template for Email: Hazard Alert(default) 29

Control Recommendations: Review the cleaning products and research a "user friendlier" product that is just as effective. This may reduce costs, training, supervision and PPE. 30
